Dear Clerk,

Enclosed please find an envelope I addressed to one of the defendants containing two motions. The envelope was sent back to me marked "Dr. Left" and I have no forwarding address. Since the doctor should be represented by the federal government I think these motions should be sent to the U.S. Attorney, atleast concerning the federal employees being sued in their official capacities. I am waiting for the judge to make a ruling on this as I can't figure it out myself at this point. If you would be so knd, would you please forward these to the U.S. Attorney or to Dr. Velasco?

Thank you for your assistance.
